Jane Henney, M.D.
Commissioner
U.S. Food & Drug Administration
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Commissioner Henney:

I am writing in support of the Center for Science in the Public Interest petition asking that antibiotics important for treating humans be eliminated from "sub-therapeutic use" in animals, including growth promotion or disease prevention.

Thank you.

Very truly yours,

Mary E. Hoffmann
